Baer's Pantry is a family owned and operated business.

The Baer family moved to a farm near Carpenter, Wyoming from McBride, British Columbia in May of 1991. In addition to growing vegetables for the local farmers' market, they decided to make jam and sell it as well. The jam became very popular, and as a result, local grocery stores agreed to put it on their shelves.

From that small beginning, Baer's Jam is now in many retail stores across Wyoming, Colorado, and Nebraska, and can be shipped all over the United States.

"We are grateful for the privilege of spreading the Word of God by including a scripture on each jar of jam. Our prayer is that it will inspire others to reflect on the goodness of God and His wonderful provisions for salvation through the Lord Jesus Christ."

Thanks to all our loyal customers for their support. We hope you continue to enjoy our jams as much as we enjoy making them."
